

## NEWS!

### The RoRo service Route61 starts

From **November 7<sup>th</sup>** M/V Festivo will start our new service between Rauma and Gävle.

M/V Festivo has a capacity of 1100 lane meters/64 standard trailers. Route61 will primarily provide total transport solutions to industrial customers in Finland and Sweden. The concept also offer combined rail solutions to the continent and to Russia. Our ambition is to offer faster, more cost efficient and more environmentally friendly solutions than what's available at the market today.
